## MEMORANDUM

**THRU:** County Administrator

**TO:** Mr. Robert E. L. Huddle,  
Field Supervisor of Local Sanitary Landfill

**FROM:** Olin B. Willis, R. S. Consultant

**SUBJECT:** Planning District 1, 2, 3 & 4  
Solid Waste Management Association for Southwest Virginia

**DATE:** 12/3/76

Sanitary landfill managers throughout the state have formed associations. Several people in Southwest Virginia have expressed interest in forming an association. I have assumed the responsibility to promote an organizational meeting in this area of the state for Planning Districts 1, 2, 3 and 4 to determine if people in Southwest Virginia who manage sanitary landfills would be interested in forming an association.

It is my desire to have the sanction of local government concerning this effort.

I have arranged for a meeting to be held after lunch at the Holiday Inn in Wytheville on Thursday, December 16, 1976 at 1:00 p.m. The Holiday Inn has a good noon buffet if you desire to eat in Wytheville.

It is hoped that you will be able to attend this organizational meeting on December 16.

Should you have questions concerning the above prior to the meeting, please feel free to contact me.
