"In it to Win It"

September 10-13, 2018

Hilton Garden Inn, Bristol, VA

Dear Exhibitor:

The Southwest Virginia Solid Waste Management Association (SVSWMA) Annual Conference and Equipment Show will be held this year at the Hilton Garden Inn in Bristol. Beginning with the golf tournament and skeet shooting on Monday September 10th, the conference sessions will start on Monday September 10th and continue through Wednesday September 12th. Closing out the conference will be the Equipment Rodeo on Thursday September 13th.

Last year's Conference and Trade Show was well attended with outstanding feedback from vendors participating. This show is an excellent opportunity for vendors to meet and show their products to a variety of solid waste and recycling personnel. Exhibit space is sold quickly, so respond early to secure an area for your organization's booth. In conjunction with our theme we are offering four levels of sponsorships this year.

The Hilton Garden Inn provides an open exhibit area. This year vendors will have the option to have a booth outside the main conference sessions or inside the session room. Each vendor will be provided with a table with two chairs as well as electrical outlets if needed. All conference sessions and

reception will be held in exhibit area. High Roller sponsors will get first choice of premium booth space. The other booth spaces will be chosen based on the order they sign up.

Vendor set up in the Exhibit Hall is on Monday September 10th (Times TBA). The hotel will secure the Exhibit Hall at night. An area outside will be available for display of large equipment and vehicles. The Equipment Expo will be featured on Wednesday, and will be accessible throughout the event.

You may hold prize drawings at your booth or we can give them away for you at our annual business meeting on Wednesday morning. For all drawings on Wednesday, the ticket holder must be present to win door prizes.
