

**SVSWMA FIRST QUARTER MEETING  
SYNERGY CORPORATION  
MADISON, NC**

**SCHOLARSHIP ANNOUNCEMENT**

Good Morning! I'm JP Verheul with Enthalpy Analytical, LLC. As Chairman of the SVSWMA Scholarship Committee I'm excited to announce we are accepting scholarship applications at this time, now through our deadline of May 1<sup>st</sup>. Some of your relatives may have already submitted applications that have been distributed throughout our committee. This year, the grant committee is comprised of myself, Brandon King of SCS Engineers, and Robert Waschler of GFL. We will collectively decide on the scholarship winners after the May 1<sup>st</sup> deadline, and make the announcement of scholarship recipients during our second quarterly meeting in June. The scholarship application can be found on our website. If you have any questions, you can e-mail me at the address provided on the application form.

Thank you!

JP Verheul
